58 Art in the Garden 2007 *opening 10am to 6pm (last admission 5pm)*

Now in its eighth year, Art in the Garden at Sir Harold Hillier Gardens is one of the most exciting exhibitions of contemporary craft and sculpture in the UK. Over 150 pieces of art and design from new and established artists are given the opportunity to show their work in a beautiful outdoor setting within the 180 acre Gardens.

Open from 26 May until October 28, the Garden's exhibition features a spectacular range of local, British and international artists work of mixed media – including work that children are able to interact with. All the pieces are for sale and make unique gifts.

Art In The Garden is curated by Elizabeth Hodgson of Underground Art + Design – a not-for-profit arts organisation set up to promote the work of artists and designers. For further information contact underground_artanddesign@yahoo.co.uk www.undergroundartanddesign.org

61 Margaret B. Mayor *mixed media / screenprinting / etching / woodcarving*

open each day, 10-5

My work portrays an emphasis upon spirituality within humanity expressing body and soul. Abstraction is required to suggest feeling, emotion and sensuality. Human form is an experience to be observed, understood and recreated through line, form and colour.
