Yoga Meditation Stools

If sitting cross legged or kneeling is uncomfortable, you may find a meditation stool helpful. The sloping seat allows the pelvis to tilt slightly forward, the back becoming more upright, with little or no pressure on the knees. Individually made in pine, painted matt or metallic finish, with sturdy brass hinges. Folds and ties for transporting. Seat is 14.5 mm x 47 mm.

Height 18 mm, but can be customised to your size and colour choice. £14 (£18.75 inc. p & p)
