

Welcome to  
**Hampshire** 2008   
**OPEN STUDIOS**

Our eighth year with **180** venues to visit – totalling around **500** artists. We try to include a wide range of craft and art forms, but we do not select our exhibitors. Seek out the things you like – or maybe experiment – go and look at something new – from the wide range of skills and different artforms of well-known professionals and emerging newcomers.

The artists have opened their homes to showcase their work – they hope you will buy as well as admire. Seize the opportunity to acquire an original from a Hampshire artist, or a modest souvenir, as greeting cards are usually available.

The map on the centre pages shows the general location of the venues. Each area has its own more detailed map showing the numbered venues. Each artist's listing gives brief directions from towns or major roads. The Hampshire A-Z Street Atlas is recommended. An ordnance survey map may also be useful.

Look for the **direction arrows** featuring the **Hampshire Hog** to help you find the venue which will be highlighted by a variety of **pink** banners, streamers or balloons. Unfortunately some local authorities will not permit our direction arrows to be used (as this is classed as flyposting which infringes civic law).

SAT **16** CLOSED WED THUR **20 21** FRI **22** SAT **23** SUN **24** MON **25** CLOSED **10-6** Each venue has a key showing its open days. An obscured date indicates a closed day.

**Some venues are open every day – indicated in pink italics**

The average opening time is **10am to 6pm** unless otherwise stated.

 This symbol indicates an artist who is new to the event

Access problems for disabled visitors are indicated, but please ring individual venues for more specific advice. Some artists may be available by appointment after hours and after the event. Please contact them to find out.

- **Bring your chequebook or wallet – you may want to buy a souvenir or gift for someone else. Most venues can't take credit cards**
- **If you like an artist's work, take contact details or ask to be on their mailing list. You might decide to buy later . . .**

Contact us for additional copies of this Guide  
Send SAE (C5) with 66p stamp for 2nd class, 78p stamp for 1st class
